Petition & Prayer

- Remember and follow the example of the Moravians and their commitment to prayer individually and corporately. Let's begin **by all committing to pray** through these points on the following **Tuesdays: 5th 12th 19th & 26th June**
- Ask that we'll be filled with a holy jealousy to see **all the nations (ethne)** become the inheritance of the risen Christ (Psalm 2:8) "Ask me, and I'll make the nations your inheritance, the ends of the earth your possession."

- More Australian pastors to lead their churches to be **Great Commission churches**; that put God's heart for the lost world at the centre of their agenda
- For all participants/churches **to engage cross-culturally & bear much fruit**

I'm trusting and believing that **in 2018** we will see at least **80 trainings & 1000 individuals**.
Will you stand with me, with faith in God for this??
